| <b>Course Level</b>   | Short Cycle (Associate's Degree)  |                                |                         |                           |             |
| <b>Course Type</b>  | Required  |                                |                         |                           |             |
| <b>Course Coordinator</b>   | Lect. Medine Pervin BAYSAN  |                                |                         |                           |             |
| <b>Name of Lecturer(s)</b>  | Res.Assist. Münevver EMİR   |                                |                         |                           |             |
| <b>Assistant(s)</b>   |   |                                |                         |                           |             |
| <b>Aim</b>  | Pre-school educational institutions annual plan monitoring daily plan and daily plan application.   |                                |                         |                           |             |
| <b>Course Content</b>   | This course contains; Observation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Integrated activity planning and implementation,Assessment. |                                |                         |                           |             |
| <b>Course Learning Outcomes</b>   |   |                                | <b>Teaching Methods</b> | <b>Assessment Methods</b> |             |
| 1. Works in collaboration with other disciplines who are working in preschool.                              |   |                                | 1, 14, 2                | A                         |             |
| 2. Plans and implements creative activities in supporting the development of preschool children.            |   |                                | 1, 10, 14               | A                         |             |
| 3. Preschool children in integrated activities supporting the development of creative plans and implements. |   |                                | 1, 14                   | A                         |             |
| <b>Teaching Methods</b>   | 1: Lecture, 10: Brainstorming, 14: Self-Study, 2: Question - Answer   |                                |                         |                           |             |
| <b>Assessment Methods</b>   | A: Written Exam   |                                |                         |                           |             |
| <b>Lecture Schedule</b>   |   |                                |                         |                           |             |
| <b>Sequence</b>   | <b>Topics</b>   | <b>Preliminary Preparation</b> |                         |                           |             |
| 1   | Observation   |                                |                         |                           |             |
| 2   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 3   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 4   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 5   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 6   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 7   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 8   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 9   | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 10  | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 11  | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 12  | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 13  | Integrated activity planning and implementation   | To approve the activity plan   |                         |                           |             |
| 14  | Assessment  |                                |                         |                           |             |
| <b>Evaluation Methods</b>   |   | <b>Weight(%)</b>               |                         |                           |             |
| Midterm Exam  |   | 40                             |                         |                           |             |
| General Exam  |   | 60                             |                         |                           |             |
