

| Course Description                  |   |                         |                         |                           |      |
|-------------------------------------|---|-------------------------|-------------------------|---------------------------|------|
| Name                                | Code  | Semester                | T+A Hour                | Credit                    | ECTS |
| ARCHITECTURAL DESIGN STUDIO I       | MIM2158540  | Fall Semester           | 2+6                     | 5                         | 8    |
| <b>Prerequisites Courses</b>        | TASARIMA GİRİŞ II   |                         |                         |                           |      |
| <b>Recommended Elective Courses</b> |   |                         |                         |                           |      |
| <b>Language of Instruction</b>      | Turkish   |                         |                         |                           |      |
| <b>Course Level</b>                 | First Cycle (Bachelor's Degree)   |                         |                         |                           |      |
| <b>Course Type</b>                  | Required  |                         |                         |                           |      |
| <b>Course Coordinator</b>           | Prof.Dr. Hasan ŞENER  |                         |                         |                           |      |
| <b>Name of Lecturer(s)</b>          | Lect. Zeynep YAZICIOĞLU, Prof.Dr. Deniz ÖNDER, Lect. Ezgi AYDOĞAN TEKCAN, Lect. Şule OTÇU |                         |                         |                           |      |
| <b>Assistant(s)</b>                 |   |                         |                         |                           |      |
| <b>Aim</b>                          |   |                         |                         |                           |      |
| <b>Course Content</b>               | This course contains; .....   |                         |                         |                           |      |
| <b>Course Learning Outcomes</b>     |   |                         | <b>Teaching Methods</b> | <b>Assessment Methods</b> |      |
|                                     |   |                         | 10, 16, 9               | E, F                      |      |
| <b>Teaching Methods</b>             | 10: Discussion Method, 16: Question - Answer Technique, 9: Lecture Method                 |                         |                         |                           |      |
| <b>Assessment Methods</b>           | E: Homework, F: Project Task  |                         |                         |                           |      |
| <b>Lecture Schedule</b>             |   |                         |                         |                           |      |
| Sequence                            | Topics  | Preliminary Preparation |                         |                           |      |
| 1                                   |   |                         |                         |                           |      |
| 2                                   |   |                         |                         |                           |      |
| 3                                   |   |                         |                         |                           |      |
| 4                                   |   |                         |                         |                           |      |
| 5                                   |   |                         |                         |                           |      |
| 6                                   |   |                         |                         |                           |      |
| 7                                   |   |                         |                         |                           |      |
| 8                                   |   |                         |                         |                           |      |
| 9                                   |   |                         |                         |                           |      |
| 10                                  |   |                         |                         |                           |      |
| 11                                  |   |                         |                         |                           |      |
| 12                                  |   |                         |                         |                           |      |
| 13                                  |   |                         |                         |                           |      |
| 14                                  |   |                         |                         |                           |      |
| <b>Evaluation Methods</b>           |   | <b>Weight(%)</b>        |                         |                           |      |
| Midterm Exam                        |   | 50                      |                         |                           |      |
| General Exam                        |   | 50                      |                         |                           |      |
