

Course Description					
Name	Code	Semester	T+A Hour	Credit	ECTS
GRADUATION PROJECT	ULY4170840	Fall Semester	3+0	3	10
Prerequisites Courses					
Recommended Elective Courses	Research Methods in Social Sciences				
Language of Instruction	Turkish				
Course Level	First Cycle (Bachelor's Degree)				
Course Type	Elective				
Course Coordinator					
Name of Lecturer(s)	Assist.Prof. Gonca Reyhan AKKARTAL				
Assistant(s)					
Aim	The purpose of the graduation thesis; It is to enable the student to carry out and present a research project by using the knowledge and skills student has acquired in the past.				
Course Content	This course contains; To be able to explain the general principles of research and literature planning, Research question and literature research, Research question and literature research, Research question and literature research, Method, thesis content and literature writing, Method, thesis content and literature writing, Method, thesis content and literature writing, Study timeline, method, thesis content and literature writing, Study timeline, method, thesis content and literature writing, Will be able to report his/her work, Study timeline, method, thesis content and literature writing, Study timeline, method, thesis content and literature writing, Reading and checking together.				
Course Learning Outcomes			Teaching Methods	Assessment Methods	
1. Will be able to create hypotheses.			10, 14, 9	A	
1.1 Makes a working plan together with the consultant.			10, 14, 9	A	
1.2 Determines the thesis title.			10, 14, 9	A	
2. Will be able to conduct a literature review regarding hypothesis.			10, 14, 9	A	
2.1 Discussion of the Purpose and Scope of the Thesis			10, 14, 9	A	
2.2 Prepares the relevant topic from recommended sources.			10, 14, 9	A	
3. Will be able to interpret the results of the data.			10, 14, 9	A	
3.1 Controls data entries.			10, 14, 9	A	
4. Will be able to report his/her research clearly.			10, 14, 9	A	
4.1 Methods and Materials Study.			10, 14, 9	A	
4.1 Method and Report Study			10, 14, 9	A	
4.2 Conducts statistical analysis.			10, 14, 9	A	
5. Will be able to present the work he/she has prepared.			10, 14, 9	A	
5.1 Analyzes the findings.			10, 14, 9	A	
5.2 Defends the study with presentation.			10, 14, 9	A	
Teaching Methods	10: Discussion Method, 14: Self Study Method, 9: Lecture Method				
Assessment Methods	A: Traditional Written Exam				
Lecture Schedule					
Sequence	Topics	Preliminary Preparation			
1	To be able to explain the general principles of research and literature planning	Preparing for the relevant subject from the suggested sources			
2	Research question and literature research	Preparing for the relevant subject from the suggested sources			
3	Research question and literature research	Preparing for the relevant subject from the suggested sources			
4	Research question and literature research	Preparing for the relevant subject from the suggested sources			
5	Method, thesis content and literature writing	researching the literature			
6	Method, thesis content and literature writing	researching the literature			
7	Method, thesis content and literature writing	researching the literature			
8	Method, thesis content and literature writing	researching the literature			
9	Study timeline, method, thesis content and literature writing	researching the literature			
10	Study timeline, method, thesis content and literature writing	researching the literature			
11	Will be able to report his/her work.	researching the literature			
12	Study timeline, method, thesis content and literature writing	researching the literature			
13	Study timeline, method, thesis content and literature writing	Birlikte okuma ve kontrol etme			
14	Reading and checking together	researching the literature			
Evaluation Methods		Weight(%)			
(Midterm Exam) (Midterm Exam) Interim report for mid-term exam		%40			
Midterm Exam		40			
(General Exam) (General Exam) Final Report for Final Exam		%60			
General Exam		60
